

ASG CAD TEMPLATE - START HERE

Install once in 2 minutes | Sirf ek dafa install karein - 2 minute

SAEED AL SIRAJ GLASS & ALUMINIUM WORKS L.L.C.

CAD Standard R1 | 10.10.2026

A

CAD IN-CHARGE - ONCE

Sirf CAD in-charge, sirf ek dafa

1

Extract the zip: right-click > Extract All.

Zip ko pehle extract karein. Zip ke andar se file na kholein.

2

Double-click the template - it opens in AutoCAD.

Is file par double-click karein - AutoCAD mein khul jayegi.

01_Master_Template\ASG_Master_Template.dxf

3

Drag the installer from the same folder into the AutoCAD window. If AutoCAD asks, click Load Once.

Isi folder se yeh file AutoCAD ke andar drag karein. Sawal aaye to 'Load Once' dabayein.

ASG_Install.lsp

✓ A window says ASG INSTALL COMPLETE: print setting installed, template saved, Ctrl+N uses it, and the folder 09_Team_Kit is ready for your team.

Popup mein 'ASG INSTALL COMPLETE' aayega. Bas - template tayyar, aur team ke liye 09_Team_Kit folder bhi tayyar.

B

EACH TEAM MEMBER - ONCE PER PC

Har team member, apne PC par ek dafa

1

Copy the folder 09_Team_Kit to your PC (or open it on the shared drive).

09_Team_Kit folder apne PC par copy karein (ya shared drive se kholein).

2

Open AutoCAD and drag the installer from the kit into the window. Click Load Once if asked.

AutoCAD kholein aur kit se yeh file andar drag karein. 'Load Once' dabayein.

ASG_Install.lsp

3

When asked, select the template from the kit folder.

Jab file maange, kit folder se template chunein.

ASG_Master_Template.dwt

✓ ASG INSTALL COMPLETE. Press Ctrl+N - every new drawing starts from the company template.

Ctrl+N dabayein - har nayi drawing company template se shuru hogi.

If a step says NOT DONE, the window tells you exactly what to do by hand. Still stuck? Send ASG_QA_Log.txt (next to the template) or a screenshot of the command line (F2) to the CAD in-charge.

Koi step 'NOT DONE' dikhaye to popup mein likha hai haath se kya karna hai. Phir bhi masla ho to ASG_QA_Log.txt ya F2 ka screenshot CAD in-charge ko bhejein.

EVERY NEW DRAWING - 6 STEPS

Har nayi drawing - 6 aasaan steps | Rules: ASG_CAD_Quick_SOP.pdf

DRAWING No.
AS-YYYY-NNN-DIS-TYP-001

A3-LANDSCAPE sheet as it comes from the template (title strip on the right).

1 New drawing **Ctrl** + **N**

Every drawing starts from the template.

Har drawing template se shuru karein.

2 Draw 1:1 in mm on ASG layers

Model tab, real size. Pick the layer first (SOP table 2).

Model tab mein asal size mein draw karein; pehle sahi layer chunein.

3 Sheet: scale + lock

Open a sheet tab, click the viewport edge, choose the scale (bottom right), then click the lock.

Sheet tab kholein, viewport ka scale chunein aur lock (taala) laga dein.

4 Fill the title strip

Double-click the title strip: project, title, drawing number, date, names, status.

Title strip par double-click karke saari details bharein.

5 Revisions

Every change: next row in the revision table + a cloud on ASG-REVISION.

Har tabdeeli par revision table ki agli row bharein aur cloud lagayein.

6 Print to PDF and check it **Ctrl** + **P**

Everything is preset. Open the PDF and check before you send it.

Sab settings tayyar hain. PDF khol kar check karein, phir bhejein.

Golden rules: never draw on layer 0 | never type over a dimension value | keep viewports locked | never explode or move the title strip | objects stay ByLayer | no new layers or styles without the CAD in-charge.

Layer 0 par kuch na banayein - dimension ka number haath se na badlein - viewport hamesha lock rakhein - title strip ko explode na karein - nayi layer/style sirf CAD in-charge se pooch kar.
